

Brexit deadline extended until January 31st

London, October 28 (RHC)-- Britain will not be leaving the European Union on Thursday as planned, after European Union leaders agreed to extend the Brexit deadline until January 31st.

Earlier this month, British Prime Minister Boris Johnson lost a critical vote aimed at fast-tracking a Brexit deal.

Johnson had previously said he would “rather be dead in a ditch” than delay Brexit, Britain’s departure from the European Union.
