

Donald Trump Names Pro-Iraq War Former CIA Head James Woolsey to Be Adviser

New York, September 14 (RHC)-- U.S. Republican presidential candidate Donald Trump has named former CIA Director James Woolsey to be his senior adviser on national security. Woolsey is considered a far-right neo-conservative.

After the 9/11 attacks, James Woolsey was a leading voice calling for war with Iraq. Donald Trump, in contrast, has repeatedly claimed that he has been against the war in Iraq.
