

Bolivian President Evo Morales Says Fidel Castro Taught Him To Never Be Afraid of Imperialism

Havana, December 1 (RHC)-- Bolivian President Evo Morales said in Havana that leader Fidel Castro taught him not to be afraid of imperialism.

President Morales, who traveled to Havana to pay homage to the historical leader of the Cuban Revolution, appeared on Cuban television Wednesday evening to share recollections of his meetings with Fidel over the years.

The Bolivian head of state said that many friends recommended that he be careful with Washington, particularly its imperialist doctrines, but leader Fidel Castro went beyond that, giving him the necessary confidence to confront the challenge.
