

Bill O'Reilly and Fox Paid Five Women \$13 Million in Sexual Harassment Settlements

New York, April 4 (RHC)-- The New York Times is reporting Fox News and its talk show star Bill O'Reilly have combined paid five women up to \$13 million to settle sexual harassment claims against O'Reilly.

The women reportedly accuse Bill O'Reilly of making unwanted sexual comments, kissing or touching them without their consent, and retaliating against them professionally when they rejected his advances.

The revelations come after the former chair of Fox, Roger Ailes, was ousted after more than 20 women accused him of sexual harassment.
