

Report Shows U.S.-Led Coalition Killed More Syrian Civilians Than ISIS During Last Month

Damascus, June 17 (RHC)-- The U.S.-led coalition is now reportedly killing more civilians in Syria than the terrorist group ISIS.

According to the journalistic monitoring group Airwars, which based its findings on data from the Syrian Network for Human Rights, at least 273 civilians last month were killed by the U.S. and its allies. This number is higher than the number of civilians reportedly killed by ISIS. Overall, the data says nearly 1,000 civilians were killed in Syria last month alone.
