

Russian Transport and Industry and Trade Officials Meet with Cuban Transport Minister

Moscow, January 31 (RHC-Minrex)-- Cuban Transport Minister Adel Yzquierdo Rodríguez was received in Moscow Wednesday by Transport Minister, Maksim Sokolov and Industry and Commerce Minister Denis Manturov.

During the talks, they analyzed the excellent state of exchange between the institutions. An increase of more than 30% in bilateral trade was reported in 2017.

The progress of joint projects and prospects for strengthening cooperation to achieve greater participation of Moscow in the medium and long-term economic and social development plans of Cuba was also evaluated.
