

Iranian Foreign Minister Says U.S. Reliance on Nuclear Arms Violates Non-Proliferation Treaty

Tehran, February 5 (RHC)-- Iranian Foreign Minister Mohammad Javad Zarif says Washington's reliance on nuclear arms violates the Non-Proliferation Treaty (NPT).

In a tweet on his Twitter account over the weekend, the Iranian foreign minister said: "The US Nuclear Posture Review reflects greater reliance on nukes in violation of the #NPT, bringing humankind closer to annihilation. No wonder the Doomsday Clock is at its most dangerous point since 1953. Trump's obduracy in killing the #JCPOA stems from the same dangerous imprudence."
