Buenos Aires, October 1 (RHC)-- Cuba's main travel agency Havanatur S.A. is participating in the International Tourism Trade Fair of Latin America (FIT America Latina), running from September 29th to October 2nd.

At the trade fair, Havanatur S.A. --the international group of tour operators and travel agencies-- is showcasing a wide variety of products and options and one single premise, to offer visitors from Argentina and around the world everything that Cuba has to offer as a safe destination.

Havanatur S.A., the leader in tourists' arrivals on the Caribbean state, is this year celebrating 40 years of work. It operates over 80 travel agencies in 40 countries.

Founded in 1996, the emphasis of FIT America Latina lies on the tourism sector.
