

Diaz-Canel receives president of UN General Assembly

Diaz-Canel receives president of UN General Assembly

Havana, April 5 (RHC) -- Cuban President Miguel Diaz-Canel has met with the President of the United Nations General Assembly, María Fernanda Espinosa, currently on an official visit to the island.

The United Nations official is undertaking an intense program of activities, which included a meeting with Cuban Foreign Minister Bruno Rodríguez, during which Espinosa described Cuba as an indispensable and strategic ally in strengthening the multilateral organization.
