

Cuban foreign minister says U.S. will fail in its policies against the island

Havana, September 15 (RHC)-- Cuban Foreign Minister Bruno Rodríguez says that the White House will fail in its attempts to destroy the Cuban Revolution with its policies against the country.

On his official account on the social network Twitter, the head of Cuban diplomacy said: "The U.S. government intends to destroy the Cuban Revolution through the economic suffocation of our people, the suffering of families, deprivation, hardship. It is a genocidal plan. As it has over the past 60 years, it will fail. | # AquiNoSeRindeNoadie #Cuba

In recent months, the administration of Donald Trump has increased the aggression against Cuba, this time with the pretext of punishing Havana for its solidarity with Venezuela.
