

Reports say Mike Pompeo planning to resign as secretary of state

Washington, November 20 (RHC)-- Time magazine is reporting Secretary of State Mike Pompeo is planning to resign from the Trump administration and run for a U.S. Senate seat in Kansas next year.

Pompeo has come under fire during the ongoing impeachment hearings against President Trump, with many criticizing him for failing to defend State Department officials and protect U.S. policies against Trump's efforts to politicize foreign affairs. Pompeo has not publicly confirmed his planned resignation.
