

Pentagon admits U.S. dropped 7,500 bombs on Afghanistan in 2019

Washington, February 4 (RHC)-- The United States dropped more bombs on Afghanistan in 2019 than any other year since the Pentagon began keeping a record in 2006.

Data from U.S. Central Command shows U.S. warplanes dropped nearly 7,500 bombs and other munitions on Afghanistan last year, nearly eight times more than in 2015.
