

Bolivian President Evo Morales Visits Argentinean President Cristina Fernandez

La Paz, Oct 15, (RHC), Evo Morales, president of Bolivia, will travel to Argentina on Tuesday to visit the recuperating Cristina Fernandez de Kirchner. President Fernandez underwent surgery last week for a cranial subdural hematoma.

Morales stressed in statements to reporters on Monday that the main objective of his visit is offer words of encouragement and support on behalf of the Bolivian people.

Morales added that he had also received invitations from several Argentinian universities to deliver lectures there.

The National universities of Lanús (UNLA) and San Martin (UNSAM) will grant President Morales the title of Doctor Honoris Causa during his visit.

Morales visit's agenda also includes meetings Bolivian migrants to assess their situation in that country.
