

Yemeni Presidential Advisor Praises Cuban Health System

Sanaa, April 28 (RHC) – Yemeni presidential advisor General Ali Mohsen al Ahmar has described the Cuban health system as one of the best in the world.

During a meeting with Cuban ambassador to Sanaa, David Paulovich, the Yemeni advisor said that relations between Cuba and Yemen are very strong and that the Yemeni people greatly appreciate the work of Cuban doctors in their country, Prensa Latina news agency reported.

Ambassador Paulovich ratified his country's willingness to further boost political, economic and friendly relations with Yemen and also pointed to the production in Yemen of Cuban pharmaceuticals.
