

Cuban president addresses ALBA-TCP high level conference on economy

Havana, June 10 (RHC)-- Cuban President Miguel Díaz-Canel participates today in the High Level Conference on Economy, Finance and Trade in the framework of the COVID-19, convened by the Bolivarian Alliance for the Peoples of America-Treaty of Commerce (ALBA-TCP).

This space, promoted by the President of the Bolivarian Republic of Venezuela, Nicolás Maduro, will be conducive to debate -- through a virtual, on-line video conference -- the complex global economic situation due to the effects of COVID-19, in order to establish criteria and proposals to confront regional and global economic challenges.
