

Covid-19 and the role of culture easing pandemic anxiety

The provincial branches of the Hermanos Saiz Association and the Association of Cuban Journalists in Camaguey have called the 3rd National Colloquium on cultural journalism.

The event will be held online on June 16th.

Organizers said a main activity will be a forum on culture in times of Covid-19, on the webpage of the Hermanos Saiz Association, to reflect on both, the impact of the current pandemic on the sector and the role of culture, providing comfort, inspiration and hope at a time of enormous anxiety and uncertainty.

The program includes also the release of the latest issue of Sendas magazine, a quarterly publication of the Hermanos Saiz Association in Camaguey and a trova concert.
