

White House to reject DACA applications in defiance of Supreme Court ruling

Washington, July 30 (RHC)-- The Donald Trump administration has announced it will reject all new applications for DACA, the Deferred Action for Childhood Arrivals program. In addition, the administration said it would limit new work permits for existing DACA recipients to just one year instead of two.

Advocates say Trump's latest attack on DACA defies June's Supreme Court ruling against the administration's attempts to kill the Obama-era program.
