

Cuba expresses condolences for victims of forest fires in the US

Wild Fires in California

Havana September 15 (RHC)-- Cuban Foreign Minister Bruno Rodríguez Parrilla expressed condolences on Monday for the human and material losses in the United States due to forest fires.

We observe with heartfelt concern the damage that fires are causing in large areas of territory in California, Oregon, and Washington, the Minister of Foreign Affairs also subscribed.

More than 30 people lost their lives in the flames that affected the western United States.
