

Political Bureau meets to evaluate issues to be discussed at 8th Party Congress

The Political Bureau of the Cuban Communist Party met to address issues that will be presented to the analysis of the 8th Congress

Havana, October 21 (RHC)-- Led by its First Secretary, Army General Raul Castro Ruz, the Political Bureau of the Central Committee of the Cuban Communist Party met to address issues that will be presented to the analysis of the 8th Congress of the organization, scheduled for April 2021.

According to a note published Tuesday by Granma newspaper, on this occasion, the members of the Political Bureau evaluated the document entitled "Assessment of the Policy of cadres for the Party, the Young Communist League, the mass organizations, the State and the government. Role of the Party to achieve better results"
