

Ruy Adrián López-Nussa releases new music video

Ruy Adrian Lopez Nussa

Havana, February 3 (RHC)--Young talented drummer Ruy Adrián López-Nussa premiered a new music video for the tune 'Lindero' on the YouTube channel of the record company BisMusic.

In the piece, he is joined on piano by renowned Cuban pianist Aldo Lopez Gavilan

BisMusic is these days releasing audiovisual materials online by mostly young talents, taken from its vast catalog.

The aim is to promote the work of these young artists, at a time when big stages across Cuba and in most countries around the world are closed and in-person performances remain suspended due to the complex epidemiological situation generated by the Covid-19 pandemic.

The music video 'Lindero' shows the versatility of Ruy Adrián López-Nussa, who is undoubtedly marked by the artistic and musical tradition in his family of virtuoso musicians.

The music video was recorded at the iconic Martí theatre here in Havana, without public, as part of the DVD 'Dos lenguajes'. Invited artists include two other members of his family, his brother jazz pianist Harold López-Nussa and his uncle, pianist and composer Ernán López-Nussa.

For this project, Ruy Adrián López-Nussa and BisMusic had the support of the Cuban Ministry of Culture.
