

Díaz-Canel congratulates the Communist Party of China on its centennial

Twitter Presidencia

Havana, July 1 (RHC)-- President Miguel Díaz-Canel congratulated the Communist Party of China on Thursday on the centenary of its founding.

Cuba shares the celebration with feelings of friendship, admiration, and respect for a political organization that has led the Chinese people to impressive development rates, said the first secretary of the Communist Party of Cuba on Twitter.

Díaz-Canel expressed the wish that Chinese communists' continue to multiply successes in socialist development'.

On the 100th anniversary of the Communist Party of China, may President Xi Jinping, the 95 million militants and its laborious people, receive the congratulations of the children of the Homeland of Martí, Fidel and Raúl" the message said.
