The grip's purpose is to examine the state of compliance with the agreements of the 8th Congress of the political organization, held from April 16 to 19, 2021.

The Party leader announced his presence in the central province on Twitter.

This control action, which enters its second day today, is conducted by members of the Secretariat of the Central Committee of the PCC and its auxiliary structure. It includes exchanges with more than a hundred work and service centers and 25 communities.

On their first day, the Party delegation several municipalities and evaluated the Party's control of the economic and social activity, mainly those related to boosting the business system and promoting agricultural production and marketing.

The visit will conclude on Friday with health workers and BioCubaFarma on the confrontation of illegalities in the production, distribution, prescription, and marketing of medicines, the political attention to the communities with greater complexities, and the preparation of the widespread consultation of the Family Code.
