

European Human Rights Court Issues First-Ever Ruling on CIA Torture Program

Brussels, August 2 (RHC)-- The European Court of Human Rights has issued the first-ever ruling on the CIA torture and rendition program, confirming the existence of a secret U.S. prison in Poland.

Last week, the court found Poland violated the European Convention on Human Rights by failing to intervene in the secret detention, torture and transfer of two terrorism suspects currently held at Guantánamo — Abu Zubaydah and Abd al-Nashiri.
