

LeBron, Curry, Durant, and Embiid among U.S. eligibles for Paris 2024

Image not found or type unknown

Havana, January 24 (EFE) - Stars LeBron James, Steph Curry, Kevin Durant, Kawhi Leonard, Joel Embiid and James Harden are among the 41 players eligible to be part of the United States team for the next Olympic Games in Paris 2024, according to the list published by the US Basketball Federation.

The list of players, chosen by the director of the American national team, Grant Hill, also includes Kyrie Irving, Chris Paul, Jayson Tatum, Jaylen Brown, Jimmy Butler or Damian Lillard.

Coach Steve Kerr will inform in the coming months who will be the twelve chosen to form the team that will compete in Paris.

The United States is motivated to take revenge after the disappointments experienced in the last two World Cups, to which the national team went with a squad without its main stars.

The United States is motivated to get revenge after the disappointments of the last two World Cups, where the team went to the World Cup without its main stars.

The young group assembled by Kerr was not up to the task and in the last World Cup the United States lost in the semifinals against eventual champions Germany.
