

Israeli forces storm West Bank hospital disguised as civilians and doctors, killing three Palestinians

Ramallah, January 30 RHC)-- In the occupied West Bank, Israeli soldiers raided Jenin's Ibn Sina Hospital earlier today disguised as civilian women and medical staff and killed three Palestinians.

Shocking hospital surveillance footage shows the Israeli forces storming the hospital with guns raised as they searched for the three militants they said were using the facility as a hideout.

Israeli soldiers and settlers have killed more than 370 Palestinians in the West Bank since October 7th, while more than 6,300 people have been arrested.
