Havana, February 8 (RHC) -- Cuban President Miguel Díaz-Canel resumes today his working tours of different territories of the country in the municipality of Ciro Redondo, in Ciego de Avila.

In his account in X, the also First Secretary of the Central Committee of the Communist Party of Cuba highlighted, "Today we return to the municipalities with Roberto Morales Ojeda, to continue dialoguing with our people" .

"In the previous tour we visited successful experiences throughout the country. Now we are going to places where things are not working so well to, among all of us, look for solutions", added the president in the social network.

For his part, Morales Ojeda mentioned on the same social network "We are on our way to Ciego de Avila. In the municipality of Ciro Redondo we will begin a new cycle of tours of the country's territories. On this

occasion, together with Díaz-Canel, we will reach centers that do not achieve the expected results".
