

Cuban beach volleyball duo closes undefeated group stage in Paris-2024

Dupla de Alayo y Díaz

Havana, Aug 1 (RHC) - The Cuban men's volleyball duo of Jorge Luis Alayo and Noslen Diaz maintained their undefeated record in Paris 2024, defeating the Moroccan duo of Abicha and Elgraoui two sets to zero on Thursday.

With the 21-14 and 21-11 triumph, the Cubans led their group unbeaten with three victories without defeats, in a very difficult key.

In previous days they had also won 2-0 against the Brazilian duos of Andre and George, second in the world, and the United States of Partain and Benesh.

The performance of the beach volleyball boys is so far the highlight of the Cuban delegation in Paris 2024. They have also won the hearts of the Parisian public, which supports and applauds them at every outing.
