Boston, April 17 (RHC)-- U.S. Immigration and Customs Enforcement agents are continuing to carry out violent raids and arrests across the United States.

Video has emerged showing ICE agents smashing a car window and forcibly removing a man this week in New Bedford, Massachusetts, even after he explained to officers he was not the person they had been looking for and that he was waiting for his lawyer to arrive.

Juan Francisco Méndez is a 29-year-old father from Guatemala who's currently in the midst of immigration proceedings to finalize his asylum status in the United States.
