

# *Jair Bolsonaro's attempted coup trial kicks off in Brazil*

---

Brasília, June 11 (RHC)-- Brazil's former President Jair Bolsonaro is expected to take the stand this week as a Brasília court considers attempted coup charges against the disgraced leader, who's accused of masterminding a far-right conspiracy plot to cling to power after his 2022 reelection loss to President Luiz Inácio Lula da Silva.

The coup plot allegedly included a plan to assassinate Lula and a Supreme Court justice.
