Panama Soccer Team

Panama, Jun 24 (RHC) - After defeating **Guadeloupe** (5-2) and **Guatemala** (1-0), Panama faces **Jamaica** today in Texas, United States, looking to lead Group C of the **Gold Cup** qualifiers.

The Spanish-Danish coach, **Thomas Christiansen**, said he will be looking for a victory to finish undefeated in this key and qualify as first to the quarterfinals of the tournament, along with **Mexico**, **Costa Rica**, and the **United States**.

According to experts, *La Roja* has yet to defeat **Jamaica** in the **Gold Cup** and the last time they faced them, they lost 1-0 in the Final Four of the **CONCACAF Nations League 2023-2024**.

A draw against the *Reggae Boyz* is enough for the *Canaleros* to take the lead in Group C, while their Caribbean rivals, who began the competition with an unexpected 1-0 loss to **Guatemala** and then recovered with a 2-1 win over **Guadeloupe**, must win to keep their hopes alive, since a loss, combined with a win by **Guatemala** over the already eliminated **Guadeloupe**, would leave them out of the tournament.
