Buenos Aires, November 25 (RHC) — The Argentinean Friendship Movement MASCUBA announced that the 15th Solidarity-with-Cuba Forum will be held in Buenos Aires in 2016.

During the closing session of the 14th solidarity forum, held in the city of San Luis on Sunday, the movement adopted a final declaration calling for more actions to support Cuba and other countries of the region, such as Venezuela, Bolivia, Ecuador and Nicaragua, currently targets of growing hostile U.S. policies.

The 14th forum closed with the presentation of the book entitled “La Verdad me nombra” (Named after Truth) by Cuban anti-terrorist fighter Antonio Guerrero, held since 1998 in U.S. prisons like his countrymen Gerardo Hernandez and Ramon Labañino.

The declaration urges U.S. President Barack Obama to free the three Cubans and condemns the over-50-year economic, commercial and financial blockade of the island.
