

Senate Agriculture Committee to Hold Hearing on Trade with Cuba

Washington, March 11 (RHC) -- U.S. Senator Pat Roberts, a Republican from the state of Kansas, chairman of the Senate Committee on Agriculture, Nutrition and Forestry, has announced that the committee will hold a hearing on opportunities and challenges for agricultural trade with Cuba.

The hearing is scheduled to be held on Tuesday, March 17th, on Capitol Hill and proceedings will be broadcast live on the website: www.ag.senate.gov.
