

# *Cuban delegation to Summit of Americas denounce presence of “paid mercenaries”*

---

Panama City, April 7, (RHC), -- Shortly after its arrival in Panama, the Cuban delegation to the Summit of the Americas side-events held a press briefing.

There, they took the opportunity to reject the presence in the Panama events of members of Cuban opposition groups, closely linked to infamous terrorists and violent organizations that have caused immense suffering to the Cuban people.

In a Declaration of Principles issued by the Cuban delegation, the Cuban representatives say these mercenaries are sponsored from abroad, and in no way represent Cuban society.
