

Cuba Travel Services Announces New Agreement With JetBlue Airlines

Havana, May 5 (RHC-PRNewswire) -- Cuba Travel Services, the leading authorized carrier service provider with offices in California, New York and Florida, will soon offer a second direct flight from New York's JFK airport to Havana.

Cuba Travel Services currently arranges flights operated by American Airlines and Sun Country Airlines to popular destinations including Havana, Cienfuegos, Camaguey, Santa Clara, Holguin and Santiago de Cuba.

Adding a second rotation on Fridays with JetBlue to its existing Tuesday flight with Sun Country will provide more flexibility to its passengers who will now have the option to depart or return right before the weekend.
