

Air France Airline Proposes Additional Paris-Havana Flight

Paris, May 19 (RHC) -- Air France airline intends to launch an additional Paris-Havana flight, increasing the number of weekly flights in that route to eleven.

The flights will be operational by October this year, according to company executives in Paris.

The company currently operates a weekly flight from the Paris Charles de Gaulle airport to Havana's José Martí International Airport. This was reinforced during the 2015 winter season with four additional flights per week.
