

Eastern Air Lines Partners with HavanaAir for Daily Charter Flights to Cuba

Havana, May 26 (RHC) — Eastern Air Lines Group and HavanaAir Charters have signed an agreement to jointly service charter flights to Cuba from Miami.

HavanaAir currently operates 65 flights a month to Havana from Miami, and Eastern Air Lines will support the company's existing operations.

As a result of the agreement, the airline companies will be launching service from other U.S. cities in the next two months.
