

Israeli Air Force Launches Multiple Attacks on Gaza Strip

Gaza City, May 27 (RHC)-- The Israeli air force has started carrying out attacks on the Gaza Strip, as the Palestinian resistance movements of Hamas and Islamic Jihad deny launching projectiles into Israel.

Israeli warplanes carried out raids on the Nuseirat refugee camp in central Gaza Strip, on Rafah in the south, and on Khan Younis early on Wednesday. At least three raids were also carried out on the Palestinian city of Beit Lahia.

On Tuesday, Hamas and Islamic Jihad denied launching rockets from the Gaza Strip into Israel, following reports in Israeli media claiming that five rockets had landed in southern Israel hours earlier.

According to the Israeli army, at least one of the rockets hit the town of Gan Yavne with no reports of damages or casualties.
