

ISIL affiliate claims rocket attack on Israel

Cairo, July 4, (Euronews-RHC), – Islamic State-linked militants claimed they launched three rockets towards southern Israel from Sinai on Friday.

Israel's military confirmed two missiles landed in its territory and there had been no casualties.

Also on Friday, Egypt's military released footage showing it striking back against jihadist positions in north Sinai, after Islamist militants carried out the deadliest attacks in the peninsula in years.
