

Bomb blast kills 25 in Nigeria northern city

Abuja, July 7, (RHC), – A bomb blast has ripped through a government office in northern Nigeria, killing at least 25 people and injuring some others.

Local Nigerian officials said the powerful explosion took place in northern city of Zaria in Kaduna state on Tuesday. Witnesses said the blast targeted primary school teachers and public sector workers, who were queuing for identity checks. Reports attribute the attack to Islamist militants with the Boko Haram group.
