

Italian Airline Resumes Flights to Cuban Tourist Destination

Ciego de Avila, July 13 (RHC) — Italian tour operator Eden Viaggi has kicked off summer trips to the Cuban destination, Jardines del Rey, with the arrival of the first passengers in a direct one-flight-a-week from Milan to Cayo Coco.

According to Eden Viaggi executives, Cuba is a destination that offers safety to the foreign visitor, and besides a sun and beach product, its culture, traditions and exuberant nature are a wonderful attraction.
