

Afghan Officials Claim Taliban Leader Mullah Omar Has Died

Kabul, July 29 (RHC)-- In news from Afghanistan, the government is investigating reports the leader of the Taliban, Mullah Omar, has died. Sources within the Afghan government have reportedly told news outlets Omar died two or three years ago.

This is the first time Afghan officials have confirmed reports of Omar's death. The Taliban has not confirmed the information, but it has told the BBC that it will soon issue a statement.
