

More than 500 Escape Prison in Central African Republic

Bangui, October 1 (RHC)-- Officials in the Central African Republic say at least 500 people have escaped from prison. This comes amid fighting that has killed at least 42 people in the capital of Bangui.

The fighting began after a Muslim man was killed and his body left near a mosque. Pope Francis is slated to visit the Central African Republic in late November as part of his upcoming trip to Africa.
