

Silver Sea Explorer Opens Cruise Ship Season in Central Cuba

Cienfuegos, October 2 (RHC)-- The arrival on Friday morning of the Silver Sea Explorer in the South Central Cienfuegos bay opens the 2015-2016 cruise ship season in central Cuba.

Cubatur Travel Agency's sales promoter Yalexis Dominguez told the Cuban News Agency that the ship has capacity for one hundred passengers and that has previously called at Havana harbor.

In Cienfuegos, the visitors will be able to tour the historic city of Trinidad and visit natural sites among other activities on their tourist agenda.

The Tourism Ministry expects 54 cruise ships visits at Cienfuegos harbor till April next year, when the season concludes. Some of the ships confirmed are SPV Star Flyer, Louis Cristal, MV Serenissima, MS Deutchaland, among others.
