

United Arab Emirates Foreign Minister on Official Visit to Cuba

Havana, October 5 (RHC)-- The Foreign Minister of the United Arab Emirates, Abdullah Bin Zayed Al-Nahyan, is paying an official visit to Cuba where he will sign accords with Cuban authorities.

The foreign minister will pen two accords: one on air service and another one on a credit line to finance a 10-megawatt solar energy project on the island.

Cuba and the United Arab Emirates established diplomatic relations in March 2002. The two countries are currently advancing negotiations on the granting of credit lines to fund economic and social development projects in Cuba.
