

Lizt Alfonso at the National Theater

Lizt Alfonso Dance Cuba is back on Cuban stages, following a successful tour of the United States and Puerto Rico.

The famous Cuban dance company is premiering three pieces at the National Theater as part of its show 1, 2, 3... All on stage!, this weekend. Danzón-cha, Seduction and A mi aire are the choreographic pieces that Cubans will be watching, after the ensemble came back from the United States and Puerto Rico. The pieces are part of 1, 2, 3... All on stage!, which will evidence how important 2015 has been to Lizt Alfonso Dance Cuba, its band, its children's and youth ballet companies, led by maestra Lizt Alfonso.
