

Israeli Forces Destroy Over 40 Palestinian Homes in West Bank

Ramallah, February 12 (RHC)-- Israeli military forces have demolished more than 40 Palestinian houses and residential structures in the northeastern part of the occupied West Bank as the Tel Aviv regime presses ahead with its land expropriation policies to uproot Palestinians.

The development came only two days after Israeli forces destroyed over 10 Palestinian houses and residential structures in the village of Khirbet Tana, which lies east of Nablus.
