

Calls to Overcome Impasse in Colombian Peace Negotiations

Bogotá, February 22 (RHC)-- Union Patriótica Party has asked the government of President Juan Manuel Santos and the Revolutionary Armed Forces of Colombia-People's Army (FARC-EP) to go beyond the current impasse in the peace negotiations to land an agreement marking the end of the internal war.

Union Patriótica, a victim of political genocide in past decades, rejected what it defines as campaign against the peace process, started with the pretext of the presence in La guajira of spokesmen of the guerrilla leading the negotiations in Cuba.
