

Latin America Postpones Meeting to Balance the World Oil Prize

Quito, Mar 11 (RHC) Ecuadorian Minister for Hydrocarbon, Carlos Pareja Yannuzelli, said the meeting of Latin American and Caribbean Oil producers announced for Friday has been postponed due to inconveniences with the agenda of petroleum ministers and foreign ministers.

Minister Pareja said the suspension is owed to the need to coordinate the work plans to facilitate the presence of every party, because it is a very sensitive international matter.
