

Assembly of Cuba-Belarus Inter-governmental Cooperation Commission to Hold Sessions

Havana, April 28 (RHC)-- The 1st Assembly of the Cuba-Belarus Inter-governmental Cooperation Commission will hold sessions in the Cuban capital in early May, sources of the Belorussian Science and Technology Committee have said.

The upcoming meeting of the inter-governmental commission will focus on cooperation projects in such areas as agriculture, machinery, energy, health care and the environment.

The Belorussian Science and Technology Committee also announced that during their delegation's visit to Cuba, they will tour places of interest in Havana, among them the National Oncology Institute, the Center for Molecular Immunology and the University of Havana.
