

Greenpeace Leaks Draft Text of U.S. and EU Trade Deal

Brussels, May 3 (RHC)-- Greenpeace has leaked 248 pages of the latest negotiating text of a trade deal between the U.S. and the European Union, known as the Transatlantic Trade and Investment Partnership, or TTIP.

Greenpeace says the documents show the U.S. is pressuring European countries to loosen environmental and consumer protection, and include provisions to give corporations, such as Nestlé and Coca-Cola, more power during trade talks.
